

Shaker/Nano Catalog

Effective June 2025

BUILT TOGETHER. BUILT TO LAST.

At Highland Cabinetry, we believe one cabinet can make all the difference. It can shape a customer's impression, impact a builder's reputation, and influence whether a client calls you back—or doesn't. That is why consistency is never optional for us. It is something we build into every product, every process, and every partnership. From the moment an order is placed to the final install, we are focused on helping you protect the trust you have worked so hard to earn. Because we own our entire supply chain, we control how materials are sourced, how every cabinet is crafted, and exactly when it leaves our facility. That level of control keeps your timelines reliable, your quality consistent, and your business running smoothly.

What truly sets Highland apart is the relationship we build with our customers. You will work with a dedicated account manager who understands the details of your business and helps make every order feel seamless. Our cabinets arrive complete, accurate, and ready to go—with no surprises. Behind the scenes, we are constantly investing in tools, service, and support that help you stay competitive and confident on every job. Everything we do is rooted in a culture of care, accountability, and pride in craftsmanship. When you choose Highland, you are not just buying cabinets. You are partnering with a team that is here to help you grow, protect your reputation, and build something that truly lasts.

POLICIES AND PROCEDURES

Design & Pricing Software

Highland Cabinetry Inc. offers a digital product catalog, including a version compatible with 2020 Design Software. These resources are available on our website at highlandcabinetry.com or upon request. Please note that Highland Cabinetry is not responsible for discrepancies between design software and actual pricing, or for issues resulting from inaccurate or incomplete customer-provided dimensions. We recommend verifying all measurements and specifications before placing an order.

Terms & Conditions

All pricing and specifications are subject to change without notice. Accepted payment methods include ACH, Check, Debit/Credit Card, or Account Credit with prior approval. To apply for credit, contact: accounting@highlandcabinetry.com.

Please note: Our stain offerings are crafted from real wood sources. As with any natural material, variations are to be expected. Actual stain colors and woodgrain patterns may differ slightly from digital renderings, marketing materials, and sample photos. Factors such as tree variations, stain absorption, and natural grain movement are beyond our control. These unique characteristics are part of the beauty of working with real wood and should not be considered defects.

Placing Orders

Orders may be submitted using our Excel order form, Customer Portal, or 2020 SKU lists. Orders will not be accepted over the phone. Dealers are responsible for verifying quote accuracy before approval. Orders ship based on available inventory unless otherwise noted. Changes or cancellations must be made within 24 hours of submission. Once assembled, all orders are non-refundable.

Delivery Options

- Pickup during business hours
- Highland Cabinetry delivery truck
- White-glove delivery (available in select markets for an additional fee)
- Common Carrier (scheduled by Highland or customer)
 - Preferred carriers must be requested at the time of order
 - Pallet fees apply; residential liftgates must be requested in advance.
 - Missed or refused deliveries may incur a rescheduling fee or storage costs.

Damages

Report damaged items within 30 days with photos and a sales order or PO number. Do not install damaged items. Installed or unreported damage is not eligible for credit. Without photos, full-price replacements will be charged, and credit issued once photos are received.

Lead Times & Cut-Offs

Cut-off time for same-day processing is 3:00 PM AZ time, Monday–Friday. Orders placed after this time will be processed the next business day.

Shipping Policies

If you arrange your own freight, Highland Cabinetry is not responsible for damage claims. Additional charges apply for challenging delivery conditions, missed pickups, and live loads.

CONSTRUCTION FEATURES

- ❶ **Back panel:** 5/8" thick cabinet-grade plywood. 3/4" thick stretchers applied to back of cabinet.
- ❷ **"L" bracket:** Reinforced base cabinets with 1/2" thick plywood sides for heavy countertops.
